

Starting August 1, 2024, fees associated with event parking arrangements will increase.

As The University of Toledo campus is aware, visitors may purchase their own “C” daily permits for \$5.95 by registering their vehicle at [ParkUToledo.com](https://parkutoledo.com), [ParkMobile](#) or by paying a parking meter. That remains unchanged and can be utilized for individuals or small groups visiting campus (**vehicles must be registered and paid prior to parking**).

Parking for large events will need to be arranged with the ParkUToledo office - the event organizer will be responsible for the parking fees.

In an effort to make sure that students and faculty are displaced as little as possible, ParkUToledo suggests scheduling larger events during “off peak times,” when possible.

Peak Times:

- Monday-Thursday, **7AM-4PM**

Off Peak Times:

- Monday-Thursday **After 4PM**
- Thursday **After 4PM** thru Monday **at 7AM**
- Days when classes aren't in session

- Summer Session

EVENT PARKING OPTIONS

1. **Departmental Permits** - Departments may purchase “A” departmental permits for their visitors in the department portal. If you do not have an active department portal, please email: info@parkutoledo.com. Once an active departmental portal is established, departments can purchase two types of permits.

- Daily “A” Permits - \$5.95
- Annual “A” Permits for \$341.15 (valid August-August).
 - Department must email info@parkutoledo.com to purchase annual “A” permits.
 - A 10% discount is available if 10 or more annual permits are purchased at the same time.

2. **Suspension of Ticketing** - In this scenario, the event coordinator is requesting that we do not ticket for permit violations in the requested lot. It's up to the event coordinator to make sure all visitors park in the requested lot. If visitors park in a different lot they will be issued a citation if no other permit is purchased (via [ParkMobile](#), Daily etc).

**Prices below reflect suspension of four hours or more.
For ticket suspension less than four hours, please deduct 20% from the total price.**

Guest license plates must be entered correctly or they will be ticketed.

Permits purchased through virtual event registration will be \$5.95 per vehicle with a \$75 administrative fee charged to the event organizer. Email events@parkutoledo.com for more information.
